

# REFRIGERANT GAS CYLINDER

HIGH QUALITY. SAFE STORAGE.  
RELIABLE PERFORMANCE.

High quality refrigerant gas cylinders designed for safe storage, easy handling and reliable performance.

## REFRIGERANT TYPES

- ▶ R134A
- ▶ R404A
- ▶ R407C
- ▶ R22
- ▶ R290
- ▶ R-1234ZE

### HIGH QUALITY

Manufactured to meet international standards

### SAFE & RELIABLE

Built for maximum safety and reliability

### EASY HANDLING

Ergonomic design for easy transport & use

### LEAK PROOF

Precision engineered for zero leakage

### ENVIRONMENT FRIENDLY

Compliant with global environmental norms

### PREMIUM PERFORMANCE

Consistent quality for long lasting performance

HVAC Systems

Industrial Piping

Ducting

Chilled Water Systems

Power Plants

Petrochemical Plants

Commercial Buildings

Marine & Shipbuilding
